Re: Quarterly Report on Large Load Curtailment Operations
Docket No. 1990-32-E

Dear Mr. Terreni:

Enclosed are the original and one copy of the Quarterly Report on Large Load Curtailment Operations for Carolina Power & Light Company d/b/a Progress Energy Carolinas, Inc. for the third quarter of 2007. This report is provided in accordance with Commission Order No. 90-82 in Docket No. 1990-32-E and includes curtailment operations for both North Carolina and South Carolina.

During preparation of this report, it came to my attention that the report filed for third quarter 2006 requires correction. The report filed October 13, 2006 omitted the curtailment that occurred on August 3, 2006. Enclosed are the original and one copy of the revised Quarterly Report on Large Load Curtailment Operations for PEC for the third quarter of 2006.

Yours truly,

s/ Len S. Anthony
